PRESS RELEASE

As of January 2011, Baker Race Cars and Baker Performance Parts of 1046 North Munroe Road in Tallmadge, Ohio 44278 have formed a strategic partnership with TNT Custom Racing, Inc. The Partnership includes larger investments in stocked parts inventories and an expansion into a new location in a 12,000 square foot facility at 4488 Allen Road in Stow, Ohio 44224. The new facility is conveniently located just off Route 8, with easy trailer access from both Steels Corners Road and Seasons Road exits. The facility also boasts over 3,000 square feet of mezzanine inventory space and a 1,200 square foot office and parts showroom.

Funding provided the expansions of the part sales business of Baker Performance Parts, including a large increase in stocked parts inventory to more quickly serve the needs of customers. The partnership will also allow for the expansion of the service business offered by Baker Race Cars with the addition of more lifts, frame tables and clipping stations to further the expansion into 2011.

Scott Baker will remain at the helm of the service department while integrating office functions and retail sales operations with the investor's existing staff to allow greater focus on serving the needs of the customers.

The partnership and move into the new facility were completed in December 2010 and will be celebrated with an Open House Event Friday, February 4th from 5:00 p.m. to 10:00 p.m. and Saturday, February 5th from 9:00 a.m. to 2:00 p.m. We invite our customers and our suppliers to attend this event with us to kick off another great season of racing.

To place part orders online please visit our Ebay Parts Store for a selection of some of our best selling products at <http://stores.ebay.com/bakerperformanceparts> or call us direct at 330-773-0121. Orders may also be faxed to 330-773-4090.

We look forward to seeing you at the Open House and working with you in the seasons to come.

Sincerely,

The Team at Baker Race Cars
